

REMARKS

The amendments set forth above conform claims 7 and 81 to the terminology used in the specification as originally filed, particularly paragraph 0017. No further searching by the Examiner is thought to be necessary, as the amendments do affect the scope of the claims. Applicant believes that this Amendment does not require a substantial amount of additional work on the part of the Patent Office. Applicant hereby requests entry of this Amendment in accordance with the provisions of 37 C.F.R. § 1.312.

This amendment is submitted with the payment of the issue fee. No other fees are believed to be due. However, in the event that a fee for the filing of this or any accompanying paper is insufficient, the Commissioner is authorized to charge any fee deficiency or to credit any overpayment to Deposit Account 15-0450.

Respectfully submitted,
